Hi, Tom – Just noticed two things. Changes are tracked, but in case this is easier:

- It was actually a FACA *sub*committee (of NACEPT - National Advisory Council for Environmental Policy and Technology).
- Rather than use the work “delineation” in #1 under “Major Issues and Considerations” I would suggest “identification.”

Thanks Phil.

Here's an updated version. I am hoping to get Mary Walker's quick feedback this morning and will follow-up with anything I learn.

Kathy – I'll plan to call you within the hour.

Here are my edits, comments and questions. I know my edit on the path forward with the COE is very specific, but I think we need to reach closure on what can be done quickly here.

Thanks Kathy. I spoke with Cathy this afternoon to better understand what the Administrator expects. My sense is that we need to

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP) while being closer to my style/preference for issue papers. It's 1.5 pages, but before trying to whittle it down I thought I'd share it and get your thoughts. I'll be working early tomorrow and am prepared to work closely with you to hopefully knock-out an issue paper that we're all comfortable with by the time we brief David Ross. I'm also copying Phil, Rosemary, Matt and Simma, as they haven't seen this yet.

Feel free to call me Ex. 6 Personal Privacy (PP)

So, Tom, this is similar to what we've been instructed is the format (meaning brief, lots of white space, etc) for administrator briefings.

I tried to put it all on one page and did not succeed; mostly because

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Since this will be a R4 brief for the administrator (I think based on the latest intel); I hand this over to you with the best wishes to get this onto one page and include whatever else R4 wants to include.
